This transfer guide will be useful to you as a transfer student, listing the general education courses along with the major requirements to assist you with your transition to Saint Xavier University. The front page lists the courses needed to satisfy the requirements for the Illinois Articulation Initiative General Education Core Curriculum referred to as the IAI/GECC. This agreement allows students to complete the majority of their general education requirements at the Prairie State College with the exception of three general education courses: Religious Studies, Philosophy 150 and an Interdisciplinary Studies course. Students must also satisfy the requirements for the major and reach a minimum of 120 credit hours. More details are available on the back.

TRANSFER GUIDE

SXU CHEMISTRY MAJOR
CHEM 111 – General Chemistry I (CHEM 110 @ PSC)
CHEM 112 – General Chemistry II (CHEM 130 @ PSC)
CHEM 211 – Analytical Chemistry
CHEM 251 – Organic Chemistry I (CHEM 203 @ PSC)
CHEM 252 – Organic Chemistry II (CHEM 204 @ PSC)
CHEM 301 – Biochemistry I
CHEM 304 – Synthesis and Characterization Laboratory
CHEM 305 – Advanced Inorganic Chemistry
CHEM 311 – Instrumental Methods of Analysis
CHEM 331 – Physical Chemistry I
CHEM 332 – Physical Chemistry II
CHEM 356/357 – Senior Seminar
PHYS 201 – University Physics I

Either: (Choose 1 of these 2 courses)
PHYS 201 – General Physics I (PHYSI 120 @ PSC)
PHYS 211 – University Physics I (PHYSI 210 @ PSC)

Either: (Choose 1 of these 2 courses)
PHYS 202 – General Physics II (PHYSI 130 @ PSC)
PHYS 212 – University Physics II (PHYSI 220 @ PSC)

MATH 201 – Calculus w/ Analytical Geometry I
(MATH 171 @ PSC)
MATH 202 – Calculus w/ Analytical Geometry II
(MATH 172 @ PSC)
MATH/CMPSC – One additional 3 credit hour course in math or computer science

Pre-Professional Programs
Students may, in consultation with their academic advisors, choose courses of study that may best meet their educational goals as pre-professional students in the following fields:

Medicine
The minimum required coursework for admission to medical and veterinary schools within the United States includes two years of chemistry, one year of biology, one year of physics and a course in mathematics. The student with chemistry orientation is strongly encouraged to enroll in a program of study leading to a B.S. degree in chemistry or biochemistry.

Pharmacy Science
The pre-pharmacy program at SXU is a two-year course of study designed to prepare students to enter pharmacy schools. Pre-pharmacy students will be assigned advisors to assist them in course selection and admission to area colleges of pharmacy.

TRANSFER STUDENTS WITH MORE THAN 30 HOURS
Students who have completed the Illinois Articulation Initiative General Education Core Curriculum (IAI/GECC) requirements (37-41 credit hours) must take the following additional mission-based courses at SXU in order to fulfill their general education requirements:

- Philosophy 150: The Examined Life (3 credit hours)
- One Religious Studies course (3 credit hours)
- Level III Interdisciplinary Seminar (3 credit hours)

Students who enter the University with all but 6 hours of the IAI/GECC can complete the requirements at Saint Xavier University. All other transfer students will be evaluated on an individual basis in terms of SXU General Education requirements.
For more information, contact advising@sxu.edu.

Transcripts
Students can request their official Prairie State College transcripts by filling out the transcript request form online at www.prairiestate.edu, in the Enrollment Services Office or the Business Services Office.

Transfer Course Lists
For more information on how other courses may transfer to SXU please visit www.sxu.edu, Keyword: Course Lists. You may also contact the Office of Admission or Records and Advising at the phone numbers below.
